GCSE Exams Breakfast Club

Dear Student

We will be running a 'Breakfast Club' for Year 11 in preparation for your exams. On the day of an exam, you are required to register in the dining hall for both morning and afternoon exams. You will need to register at 9am for a morning exams and 1pm for the afternoon exams. You do not need to attend form registration if you have an exam. If you do not have an exam please attend form registration as per normal.

During exam registration in the dining hall teachers of the GCSE subject will be available to support you and answer any last minute questions.

Water will be available during the examination should you require it. You will also receive a token towards the purchase of breakfast during the exam period. It has been proven that students who are suitably nourished perform better in exams and as we wish for everyone to perform at their very best this is an important way in which we can support you.

In the past water has been provided to everyone, but this resulted in a lot of wastage of part drunk bottles. Therefore, bottles will only be supplied on request and if you are able to please bring your own in a clear unmarked bottle, it would be appreciated.

Enclosed is a breakfast token to the value of £1, which can be used towards purchasing a smoothie or food from the canteen during 'Breakfast Club', for morning exams only. The tokens will only be issued once, so please make sure you do not lose them.

The kitchen staff will have a list of all candidates sitting exams in the morning and you will be asked to show the token and provide your name when making a purchase.

May I take this opportunity to wish you every success during this busy time and hope the result of all your hard work is evident in August.

Yours sincerely

H Watts
Principal
