

Project 2: Musical Instruments

WWW: You have clearly defined the sections of the orchestra and covered the majority of the instruments. You present your work well with neat illustrations. I like your focus on the guitar and the fact that you describe several styles of instrument.

EBI: You could have labelled some of your illustrations to show the working mechanisms of the instrument.

Find out about the origins of the acoustic guitar (short paragraph)

Be careful with capital letters, full stops and using a comma (instead of having 2 sentences) see text marked *
