Teachers help and lead the way.

Challenge is hard but challenge is fun

We can soon be number one!

Problems solved, we work together

Making friends for now and ever.

pupils smile everyday
Helping others find their way.

Learning lessons for an hour
Teachers have the learning power
Mr Shepherd is amazing
Hope he pumps up all his gradings.

Helping students find their passion
With our brand new snazzy fashion.

To write this I slamed my head on the table
So appreciate it if your able
Im actually going insane
My ears are in alot of pain

And know my ear drums have gone numb

Write down 2 good things Mr. Shepherd said about your work:

We added a shaker to the beat.

Write down 1 thing that Mr. Shepherd said would improve your work:

We weren't in time with the piano beat.
