We're a great Academy!

Facing challenges every day

Teachers help and lead the way.

Challenge is hard but challenge is fun

We can soon be number one!

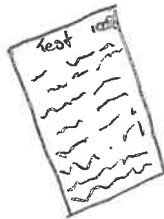

Problems solved, we work together

Making friends for now and ever.

Acle is the place to be

We're a great Academy.....

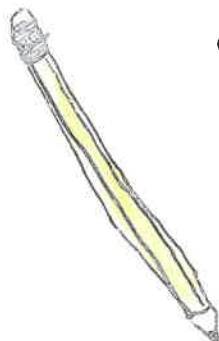

Everyone with their friends
where the fun never ends!

Side by side
hand by hand
always a tribe
Making this
our land

Working well
as a team
education is
our dream!

Write down 2 good things Mr. Shepherd said about your work: You had a nice keyboard pattern with vibroslap (unusual!) and drum. the words were very clear I liked your fade-out

Write down 1 thing that Mr. Shepherd said would improve your work:

Perhaps your Music was a bit too repetitive? A little bit more variety (eg a change of notes or instruments) would have improved your work at the end (good!)
